EMPLOYMENT HISTORY

Menasha Packaging and Display
Freelance Junior Graphic Designer

July 2012 - Present

Support the creation and extension of campaign elements and brand materials. Create designs for store displays and work with clients to ensure their satisfaction with the design. Have and gain knowledge of structural design. Create and design renderings, prepare files, build and ship mock-ups, and manage time. Design extremely quickly under pressure and work within designated times and finish by client deadlines.

Campbell's Soup Co.
Freelance Designer

March 2015 - January 2019

Convert vendor drawings into Campbell's Drawings. File and organize digital drawing database. Assist in package research and development. Create mock ups with Artios CAD, Esko cutting table, and 3D printer.

Campbell's Soup Co.
Associate Designer

January 2019 - Present
